### PROBABLE CAUSE STATEMENT

Furthermore, the complainant states that **Salvador CASTELLANOS-Veliz, Margarito SANCHEZ-Mercado, Ricardo CRUZ-Hernandez**, are citizens of a country other than the United States; that said aliens have admitted that they are deportable; that their testimony is material, that it is impracticable to secure their attendance at the trial by subpoena; and they are material witnesses in relation to this criminal charge and should be held or admitted to bail pursuant to Title 18, United States Code, Section 3144.

On July 3, 2008, at approximately 8:45 a.m., Border Patrol Agents M. Ponce and T. Karjala were conducting line watch duties near the Otay Mesa area in San Diego, California. Agent Ponce was in a Border Patrol uniform and driving a marked Border Patrol Jeep Rubicon with fully functional emergency equipment. Agent Ponce heard a radio transmission over his bureau issued radio that Agent J. Zimmerman had just observed a blue sedan that had been previously spotted picking up suspected illegal aliens at an area known as Cal-Pine near the Otay Mesa area in San Diego, California. Agent J. Zimmerman then reported that the suspected vehicle was a blue Ford Probe and he further stated the blue Ford Probe was heading south on Alta Road from the Cal-Pine facility.

Agent Ponce responded to the Cal-Pine area to further investigate and as he reached the corner of Alta road and Otay Mesa Road he observed a blue Ford Probe pass his position. As the Ford Probe approached Agent Ponce's position he observed the driver look directly at him. Agent Ponce stated the driver looked directly at him and appeared to have a look of surprise upon seeing a uniformed Border Patrol Agent. Agent Ponce also observed that the vehicle was heavily laden and sagging unnaturally in the back. Upon seeing the marked Border Patrol vehicle, the blue Ford Probe immediately turned east off of Alta Road and drove onto the Otay Mesa towards an area known as Alta Grove. It should be noted that there are only none-maintained dirt roads with many large dips and multiple blind spots that access the Otay Mesa and Alta Grove area.

Due to the fact that the blue Ford Probe matched the description of a previously reported load vehicle and the heavily laden appearance of the vehicle, Agent Ponce attempted to initiate a vehicle stop. The vehicle failed to yield and attempted to evade Agent Ponce and his partner by driving off-road. At this time, San Diego Sector dispatch advised Agent Ponce that a citizen had just reported seeing a small blue vehicle pick up six suspected illegal aliens near the Cal-Pine facility. Additional Border Patrol units were now attempting to assist Agent Ponce in his pursuit.

The Ford probe headed towards an area known as Johnny Wolf's Draw and as additional Border Patrol Agents arrived to assist; the driver turned south and drove into a grassy field on Otay Mesa. The vehicle came to a stop on the grassy field and the driver of the vehicle attempted to abscond on foot. Agent T. Maloney gave chase and apprehended the driver after a brief foot chase and struggle. Border Patrol Agents secured the vehicle since it was still in gear and discovered four individuals in the back seat of the Ford Probe. As agents were securing the vehicle, they heard a knocking sound coming from the trunk. Upon further inspection, Agents discovered two more individuals in the trunk of the vehicle. The individuals in the trunk of the vehicle appeared scared, disoriented and in a state of distress.

Agents Ponce and Karjala identified themselves as Border Patrol Agents and determined that all of the passengers in the vehicle and the driver, later identified as the defendant **Jose Guadalupe MEZA-Martinez**, were citizens and nationals of Mexico with no legal right to stay or to remain in the United States. All seven individuals, including the defendant, were arrested and taken to the Chula Vista Border Patrol Station for processing.

**DEFENDANT STATEMENT: Jose Guadalupe MEZA-Martinez**

Defendant Jose Guadalupe MEZA-Martinez was advised of his Miranda Rights in the Spanish language which he understood and was willing to answer questions freely without an attorney present. MEZA stated that he is a citizen of Mexico and that he was deported approximately a year ago, and never possessed any immigration documents allowing him to enter or remain in the United States legally.

MEZA stated that last night at approximately 9:00 p.m., he met an individual known as "El Guacho". He stated that that he agreed to pick up an individual for "El Guacho" for \$600.00 dollars. MEZA stated that "El Guacho" provided him with a vehicle to be used to pick up this individual. MEZA stated that he was to take this individual to a park on 41st street and University Ave where "El Guacho" would meet him. MEZA stated that he followed "El Guacho" to a construction site and "El Guacho" instructed him to wait there for the individual he was going to pick up while he visited his brother at the Bailey's jail. MEZA stated that he waited at the construction site until an individual arrived to his car with several other subjects. MEZA stated that the individual instructed the other subjects to get in the back of MEZA's car. He stated that the individual got in the front seat and instructed him to accelerate after they observed a Border Patrol vehicle. MEZA stated that the Border Patrol turned on their lights behind them and he drove onto some dirt roads. He stated that he drove for a while until he stopped and ran from the vehicle but was shortly apprehended. MEZA stated that he was going to be paid \$300.00 dollars a head for each illegal alien and nothing for the foot-guide. MEZA stated that he was instructed to transport them to an apartment located on 41st street and University Avenue.
